

**SAINT LOUIS**  
CATHOLIC CHURCH

Dear Community Partner,

I pray this letter finds you well. The Saint Louis Catholic Community is seeking your assistance in obtaining sponsorships and/or in-kind donations for our **Festival for the Poor** which will be held on February 10<sup>th</sup>, & 11<sup>th</sup>, 2023. The festival, a forty-year tradition, is an annual charitable event, which donates **100%** of its profits to local charitable organizations in South Florida. Over the years, we have contributed over \$2 million to various non-profits that serve the neediest in our community. St. Louis is committed to not only continuing this legacy of giving to the community, but continually strives to raise the bar on the amount that is generated from this Festival. We have witnessed, firsthand, the impact that these local charities can have in helping to bridge the gap for those less fortunate in our local community and are hopeful that you will partner with us in this effort. Some of our recipient's last year were *Camillus House, LA6 Foundation, Sophia's Hope, PATCHES, St. Ann's Mission, Goodwill of South Florida, and A Safe Haven for Newborns*. The more sponsors we have the greater the financial support we can offer to local charities.

The **Festival for the Poor** is a wonderful family-oriented weekend which attracts members of the Parish, which includes more than 3000 families, as well as hundreds of other families from the surrounding areas. The event includes Live entertainment, Rides, International Food Booths, Game Booths, a Spring Bazaar, with over 40 vendors, a Silent Auction, Raffles, and a 5K Run/Walk.

Our location in the Village of Pinecrest, provides us a unique position to not only help raise funds, but to provide exposure for those non-profits that benefit from our proceeds. Likewise, it is our hope that displaying the name of your company as a proud corporate donor/sponsor may benefit your business in return for your generosity. It is a wonderful opportunity to be associated with an organization that can positively affect the lives of so many people in need. Thank you for your thoughtful consideration of this request. Please do not hesitate to contact me for any further information or documentation that may help you in evaluating our request.

With Sincere Gratitude,
